Mr Strumpfer,

It appears that it's true in some technical sense that you weren't claiming exemptions, but nevertheless Ms. Jain's worries, unsupported by evidence, don't constitute a reason under the statute to withhold information. Please supply the intact record immediately.

Mr strumpfer,

I don't dispute that your record is responsive. However, your reply is not responsive. Does GA contend that it does not possess records which reflect the last names of the donors?

Thanks!

If we were claiming exemptions, we would note it in our communication with you. Our record is responsive to your request.
